tions to be addressed to—
SURVEYORS.

Dear Sir,

With reference to our letter E. of the 26 instant, respecting the special survey fee of the steamer "STAD ALKMAAR, Amsterdam report no. 15909a, I beg to state that I have overlooked circulair no. 1722 reading that the existing practice for steam engines and boilers still apply and 4/5 of the fee viz.:— Fl. 965,— is now duly paid by Messrs. N.V. Werkspoor at this Port.

Kindly request to have same amended on my report and to cancell my letter of the 26th instant.

An amended rough fee list is herewith enclosed and beg to be excused for this error.

We are, Dear Sir,

Yours faithfully,

The Secretary,
LONDON.
