7th June, 1939.

Dear Sirs,

E. I am in receipt of your letter of the 2nd instant, with plans, in duplicate, advised therein of electrical equipment proposed for Messrs. Wilton Fyenoord, Yard No. 669, and I have to inform you that these plans will be approved provided the installation be as shown and amended thereon, and to your satisfaction, and the special requirements of Section 15 together with the remaining requirements of the Rules for Electrical Equipment be complied with.

I may add that in view of the small size of the equipment, no exception will be taken in this instance to the use of Siemens and Hazemeyer type fuses indicated on the plans.

One set of the plans now approved is being returned to you under separate cover.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,  
ROTTERDAM.
