MEASURES.

I beg to enclose herewith a copy of letter The Ayrshire
yard Co. received from Messrs. Jas. Gerdiner & Co. the Owners,
respecting the two vessels Nos. 445 & 446 this firm are now
building, in which they desire to dispense with the tween
bulkhead on Frame 49 above the after end of the deep water
last tank.

In my opinion the Owners request merits the
durable consideration of the Committee provided a web
be fitted in lieu of same, as previously indicated on
profile plan.

The profile and midship section and forwarded
with for reference.

I am, Sir,

Your obedient servant,

W. P. Collings.

Secretary,
GLASGOW.
