

# Lloyd's Register of Shipping.

Letricheux Buildings, Adelaide Street,

Swansea, 12th August, 1940.

"EGLANTINE" No.73627 in Register Book.

We have been requested by the Superintending Engineer for Messrs. Lyle Shipping Co. Ltd., Glasgow, to hold a Boiler and Machinery Survey on this vessel which is stated to be owned by the Ministry of Shipping.

As this vessel was not built to class, and we have no information regarding any previous survey carried out, we shall be glad to have your guidance as to whether it is necessary at this time to hold a First Entry Survey or whether we shall be in order in proceeding with an ordinary L.M.C. Survey.

We are, Dear Sir,  
Yours faithfully,  
The Surveyors.  
Per: *W. J. Evans*
