

WOKINGHAM COPY.

ENCLOSURE

5th August, 1940.

Dear Sir,

I have to inform you that the steamer "WEST CAUTION" is now at Ellesmere Port and a Freeboard Certificate is required to be issued by this Society. I shall therefore be glad if you will be good enough to arrange for full particulars to be reported on form C11 and C11(comp).

If the survey for classification is not completed at this time, the Surveyors should indicate the period of validity which they recommend for the Load Line Certificate, it being observed that the vessel was recently examined in drydock at New York.

No particulars are available for guidance, with the exception of the capacity plan, which is enclosed herewith and should be returned to this Office with the reports.

I am, Dear Sir,
Yours faithfully,

Clerk to the
Classification Committee.

The Secretary,
LIVERPOOL.
