

POSTPONED SURVEYS.

Case of the..... S.S. "OSMOND".

No. 30869..... in Reg. Bk..... tons, Built.....

Classed..... Owners.....

Port of Registry.....

Survey Due..... Boiler Survey due 1.45.

Action in regard to the carrying out of the above survey has been deferred in view of the fact that it was understood that the vessel had been taken over by the U.S. Navy in the South Pacific.

The New York Surveyors now state they have been informed by the War Shipping Administration that this vessel is now part of the laid up fleet.

*Submitted action
be deferred.*
