Dear Sirs, "Inanda"

We herewith submit for approval triplicate copies of our drawing No:21952 showing modified Bridge deck on the above vessel which is being converted to a cargo Carrier.

Owing to the difficulty in obtaining sections in time we would suggest that if any increase in scantling is found necessary for the beams this could be overcome by fitting occasional reverse angles. We also enclose proposed new General Arrangement drawing which please retain for reference when other drawings are submitted.

Yours faithfully,

R. & H. Green and Silley Weir Ltd.

G. F. Silley
