Enclosures.

25th May, 1936.

Dear Sirs,

M. I return herewith two copies of the plan, forwarded with Mr. Malcolm's letter of the 19th instant, of profile and deck of the steamers "AMENITY" and "ABILITY", and with regard thereto I have to inform you that the scantlings and arrangements as shewn and amended thereon will be approved, provided they be carried out to your satisfaction.

With the increased length the equipment number is increased one grade, and it will be necessary to supply an additional 30 fathoms of 13/16" stud chain cable.

This proposal has been discussed in this Office with Mr. Everard, who has arranged for a number of modifications to be made to the Builders' proposals. He stated that these are made with the Builders' knowledge and consent.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,
HULL.

Secretary.
