Dear Sirs,

H.

I beg to remind you that upon the occasion of the Motorship "ABILITY" being surveyed by this Society's Surveyors for classification in the Society's Register Book, the Surveyors recommended that the machinery be examined under working conditions, and I shall be obliged if you will kindly let me know, for the information of the Committee, when and at what port you expect to be in a position to have this done.

I am, Dear Sirs,

Yours faithfully,

Clerk to the
Classification Committee.
