Dear Sirs,

M.

I have to acknowledge the receipt of Mr. Garnett's letter of the 20th instant regarding the Motor Vessel "ADAPTITY", and I note that the engine casing of this vessel has been raised 4 feet by fitting 5/16" steel plating and supported by vertical stiffeners attached to original stiffeners.

Thanking Mr. Garnett for his attention,

I am, Dear Sirs,

Yours faithfully,

Secretary.
