ENCLOSURE.

20th June, 1935.

Dear Sirs,

S. I have to acknowledge the receipt of your letter of the 18th instant, enclosing your report No.45887 in connexion with the lengthening of the Motorvessel "ADAPTITY", built by Messrs. Fellows & Co., Ltd., of Yarmouth, for Messrs. F. T. Everard & Sons, Ltd., and note from the report that the vessel is being returned to the Builders for the fitting of the machinery and completion of the hull and fittings.

The question of the amount of fee to be credited to your port for your services in connexion with the lengthening will be dealt with on receipt of the complete First Entry report from the Society's Surveyor at Ipswich.

In the meantime your report is returned herewith for signature, this having inadvertently been omitted.

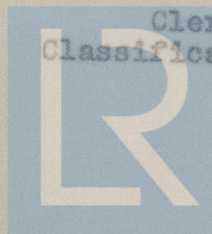

I am, Dear Sirs,

Yours faithfully,

The Surveyors,

HULL.

Clerk to the  
Classification Committee.
