# Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

Enclosure.

8th April, 1936.

Dear Sirs,

A. With reference to your engines Nos. 670 and 673 for Messrs. Fellows & Co's. No. 337 (M/V "ADAPTITY") and Messrs. Geo. Brown & Co's. No. 194 (M/V "ANONITY") respectively, I beg to remind you that the fees and expenses due in connexion with the survey during construction of the engines in question remain unpaid. In this connexion I would point out that letter "A" of the forthcoming edition of the Register Book is going to press very shortly and as it will doubtless be the wish of the Owners that these vessels should appear as fully classed when the new Book is published, I should be obliged if you would kindly give this matter your attention and favour me with a remittance in settlement of the outstanding fees, as per statement of account enclosed, at your earliest convenience.

I am, Dear Sirs,

Yours faithfully,

Secretary.
