8th June, 1931.

Dear Sirs,

M.

I have to acquaint you that the Steel Twin Screw Motor Ship "APOLLONIA", Messrs. N.V. Werf v/h Rijkee & Co's Yard No. 202, is proceeding to your port with a view to the completion of the installation of the machinery.

To complete the Survey on the hull the following remains to be done :- Skylight and casing top plating over motor room to be riveted, and complete tonnage particulars to be reported.

I shall therefore be glad if you will be good enough to give the case the necessary attention, and, on completion of the work, to forward a report on form No. 8 with a view to the classification of the vessel.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,  
AMSTERDAM.
