Dear Sirs,

With reference to the classification in the Society's Register Book of your steamer "BARBARA MARIE", I beg to acquaint you that the Committee have today had before them a report of survey recently held on this vessel in drydock by the Society's Surveyors at Cardiff. The Surveyors state it is understood you desire to postpone the Special Survey No.3, which became due in April last, until some time within the year of grace, and I have the pleasure to say that, in view of the examination now made, the Committee will be agreeable to this proposal, provided the survey be carried out before the expiration of the year of grace in April next.

I am, Dear Sirs,

Yours faithfully,

CFI
