Dear Sir,

s.s. "BASSA".

The boilers of this vessel were surveyed in January, 1940, at Hull by Mr. Sneddon, and we do not appear to have your certificate to this effect, or if we have received it, it has been mislaid.

We shall be much obliged if you will kindly send us a copy by return.

Yours faithfully,

*W. K. Robinson*

SUPERINTENDENT ENGINEER.
