Dear Sirs,

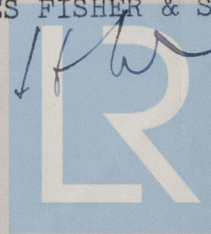

s.s. "BAY FISHER"

In reply to your memo of the 16th inst. regarding Loadline Survey on this vessel, we beg to advise you that we are trying to arrange Boiler Survey in the near future and will dispose of the Loadline Survey at the same time. Vessel is, however, on Admiralty service and consequently her movements are somewhat uncertain, but as far as we can see at present it is anticipated that the work will be undertaken in the Firth of Forth within the next week or two.

Yours faithfully,

for JAMES FISHER & SONS LTD.

John Fisher

Director.
