

# Lloyd's Register of Shipping,

342, Argyle Street, Glasgow, c.2.

3rd. February, 1928.

rence

My Dear Coote,

I find that Mr. Common has made a mistake in his First Entry Report on the "BEAVERFORD" in regard to the number of the boiler test certificate for the Yarrow boilers. The number of the certificate should have been given as 17452 instead of 17453 and I shall be glad if you will kindly amend the Report accordingly.

Yours faithfully,

*P. L. Warlow*

F.D. Coote, Esq.,  
LONDON.
