MERCHANT SHIPPING (SAFETY AND LOAD LINE CONVENTIONS) ACT, 1932.

RENEWAL SURVEY IN ACCORDANCE WITH SECTION 48 (4) OF THE ABOVE ACT.

(Port) Southampton
(Date) 4th November 1940

I have to report that I have surveyed the steel screw
tanker "British Gunner" of London O.N. 146639
on this date.

I have compared the arrangements on board the ship with those given in the original freeboard report and I have found them to be in agreement therewith or equivalent thereto, and the whole to be in efficient condition.

New Certificate to be valid for 2 years subject to Annual Survey

The freeboard marking has been verified and found to agree with the freeboards given on certificate No. 8252 dated 8th August 1935 which is returned herewith.
