Reference

The Secretary,

Sir,

Messrs Palmers S/B & Co

desire to have the Classification certificates for

"BRITISH GENERAL" their No. 926 at the earliest

possible moment. The vessel is not quite

complete but will go on trial on Monday

next. I am sending on the plans of

the vessel so that the sectional drawing

for the certificate may be prepared and the

First entry report will follow after the trial

trip. As in the cases of the ^{previous} sister vessels

"BRITISH MARINER" + "BRITISH CORPORAL" the

Certificates are required by the owners to be in

duplicate.

I am, Sir,

Yours obedient servant,
