QUESTION.

ANSWER.

I shall be glad if you will remind Owners that the Freeboard Certificate expires on the 23rdximo, and let me know what arrangements they propose making to the survey for the renewal of Certificate carried out.

Date:— 1st May 1940.

In reply to enquiry the Owners write as follows:-

"PACIFIC COAST".

"Yours of yesterday regarding the Freeboard Certificate of this vessel. In case you are not already aware of it, this vessel was a C.T.L. having been blown up in a North French Port, she is however being salvaged and as soon as possible the hull is being towed to a British port for re-building if possible"
