Dear Sir,

M.V. "PACIFIC COAST"

We are in receipt of your account for Survey Fees etc., in connection with above vessel, amounting in total to £171.12.-d, and we would ask you to review the items thereon in view of the account we already paid on 4th April last in respect of this same vessel.

The latter account referred to was in connection with auxiliary engines supplied by Messrs Davey Paxman & Co., and we think that there has been some overlapping in the charges, particularly in the case of the Survey of electrical appliances.

We shall be glad to hear from you in course.

Yours faithfully,

FOR ARDROSSAN DOCKYARD, LIMITED
