I. Secretary,  
To the ~~Surveyor~~ at Liverpool.

Ship's Name, Steamer "PLANTER".

QUESTION.

ANSWER.

Date:— 30th May 1940.

Nothing has been done at this time in regard to these inspections but on the vessel's return, the Owners state, she will be dry-docked, and General Examination carried out and also the Screwshaft Survey.

With reference to  
Liverpool Report No.113791, it  
is understood that the vessel  
has recently arrived in your  
district, and I shall be glad  
to learn whether any action is  
being taken in regard to the  
surveying out of the Special  
Survey No.3 and Screwshaft Survey.
