JFH

Enclosure.

25th November, 1927.

Dear Sir,

With reference to Glasgow report No.4/211 on the steamer "PLANTER", recently built by Messrs. Charles Connell & Co., Ltd., I think it well to enclose for the information of the Surveyors a report of a survey which has recently been held at Liverpool, from which it will be observed that extra stiffening has been fitted in way of the deck of the donkey boiler house.

The enclosed report should be returned when its contents have been noted.

I am, Dear Sir,

Yours faithfully,

Clerk to the  
Classification Committee.

The Secretary,

GLASGOW.
