ENCLOSURE.

19th September, 1933.

Dear Sir,

M.

Reverting to my letter of the 14th and your reply of the 15th instant regarding samples of bottom shell plating which were being forwarded by the Society's Surveyor at Newport News by the Steamer "MANCHESTER MERCHANT", I think it well to enclose an Advice Note received to-day from Messrs. Furness, Withy & Co's Liverpool Office, from which it would appear that the samples in question are expected to arrive at your port about this date, and I shall therefore be glad if you will be so good as to give the matter the necessary attention.

I am, Dear Sir,

Yours faithfully,

Secretary.

The Secretary,

LIVERPOOL.
