RETAIN

29th November, 1922.

Dear Sir,

S. With reference to Glasgow first entry report No. 42 308 on the steamer "CLAN MACFARLANE", I have to say that it is concluded that the thickness of the forecastle side plating and the width of the seam of "K" and "L" strakes is as approved, but I shall be glad if you will be good enough to ascertain from the Surveyors and let me know if this is so, at the same time stating what is the length of the bridge and forecastle decks on Awning deck, for inclusion in the Register Book.

I am, Dear Sir,

Yours faithfully,

Assistant to the Secretary.

The Secretary,

GLASGOW.
