Dear Sirs,

With reference to Mr. McAuslan's First Entry Report No. 15499 on the new Steamer "DUQUESA" I have to request that he will be so good as to forward the approved plans showing the superstructures and arrangement of deep stringer and casings in way of machinery space, and at the same time he should state whether he is correct in reporting that the butts of Q strake are trable riveted.

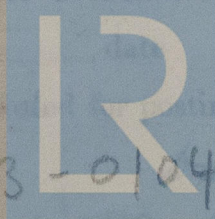

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

HARTLEPOOL.
