[Para. 18 (e)]

At after end of forecastle

W383-0206

12-1-26

Dear Mr. Watt

With reference to the freeboard
of S/s Demeterston, sent by me today,
have just remembered (after leaving
Office) that I did not mention that
freeing ports have semi-circular ends

Will you please add sketch to
it to reconcile areas given

With kind regards

Yours faithfully

T. Shaw
