Ansd  
LONDON

Dear Sir,

Reference  
E.

MESSRS. WM. DOXFORD & SONS' YARD NO.664.

With reference to your letter of the 10th instant in regard to the electrical plans submitted by Messrs. The Sunderland Forge & Engineering Co., Ltd., for the above mentioned vessel, we beg to inform you that the main switchboard has been made to the original plans approved and one 30 amp. switch will be replaced by a 60 amp. switch to accommodate the additional heavy current circuit.

We are, Dear Sir,

Yours faithfully,  
THE SURVEYORS,  
PER:

The Secretary,

LONDON.
