

COPY.

18th March, 1918.

Dear Sirs,

I return herewith Mr. Brown's first Entry Report No. 70767 on the new Steamer "TRENGLIOS", and in regard thereto I have to request that he will be so good as to state whether the upper deck beams are fitted 8 x 3 $\frac{1}{2}$ x .58, or 8 $\frac{1}{2}$ x 3 $\frac{1}{2}$ x .52 as shown in pencil on the report.

He should also fill in the particulars of the steel wire supplied to the vessel.

I am, dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

NEWCASTLE.
