Lloyd's Register of Shipping.

Port

PORT SAID

12th September, 1941.

This is to Certify that I have

Surveyed the Steel Screw Steamer "GANDARA" 5281 tons

gross register of Glasgow, whilst lying afloat at Port Said on the 10th September 1941, following upon damage stated to have been sustained to the Hull and Superstructure through enemy action, while the vessel was lying in the Harbour of Port Said, on the 2nd September 1941,

and that I have transmitted to the Committee of Lloyd's Register of Shipping, London, a Report, stating that all/ temporary repairs recommended by me have been completed to my satisfaction, and that I have Recommended that she be continued as at present

classed subject to permanent repairs being effected to one shell plate starboard side forward and to starboard side forecastle side plating at the Owners' convenience,

being fit to carry dry and perishable cargoes.

Robert G. Knox.

Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—

"While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
