10th May, 1927.

Dear Sir,

I am in receipt of your letter of the 5th instant respecting the case of the Steamer "GANDARA" and enclosing a copy of a letter received by you from the Chief Constructor of H.M. Dockyard, and in reply thereto I am directed to state that as it would appear that the material to be used in the repair of this vessel has been tested in accordance with the Admiralty requirements, the same will be accepted, it being left to you at your discretion to make a few hot and cold bend tests of the material as it is being worked into the ship.

I am, Dear Sir,

Yours faithfully,

Secretary.

W.J. Matthews, Esq.,

GIBRALTAR.
