7th November, 1919.

Dear Sirs,

With reference to your letter of the 1st instant, respecting the fees chargeable in the case of the new Steamer "GANDARA", Messrs. Craig Taylor & Co's No.214 vessel, I have to inform you that as this vessel appears to have been completed under Standard specifications, the fees chargeable to the Builders will be the full Standard fees at 1/4 per ton.

As the gross tonnage is 5281, the Hull fee will be £234:14: 3, and the machinery fee £117: 7: 1, and you will be good enough to render an account to the Builders accordingly.

I may add that these fees have been duly entered on your reports on the case.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

MIDDLESBROUGH.
