Royal Bank Buildings,
28, Constitution Street,

Leith, 22nd June, 1940.

Edinburgh, 6.

Reference

F.

Dear Sir,

We duly received your letter of the 20th ultimo enclosing new Load Line Certificates in the case of the s.s. "IRENE MARIA".

The Survey has now been carried out and these certificates have been handed over. Our freeboard verification form and report are forwarded herewith.

The particulars of closing appliances as under have been entered on the Certificates:-

Forecastle:- Steel hinged doors.

Bridge;fore end:- Steel hinged doors

Bridge,after end:- Steel plates fitted with hook bolts

Poop:- Steel plates fitted with hook bolts.

We are, Dear Sir,

Yours faithfully,

THE SURVEYORS.

Per.

John Houston

The Secretary,

WOKINGHAM.
