Dear Sirs,

E. I am in receipt of your letter of the 7th instant relating to the case of the steamer "IRENE MARIA", in which you enquire whether samples of the soda and salts have been received from the Antwerp Surveyors and also what samples of material are required.

As stated in my communication to you of the 26th ultimo, however, samples of the material, soda and salts are being investigated in this Country and it will therefore not be necessary for further samples to be submitted.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

ROTTERDAM.
