Enclosure.

7th June, 1932.

Dear Sirs,

Reverting to your freeboard report No.88168 and to my letter of the 14th March last relative to the steamer "HOMESIDE", I have to acquaint you that an assignment letter has today been forwarded to the Society's Surveyors at Cardiff in respect of this ship as it is understood that the Convention requirements will be carried out and the freeboard marks cut in and verified on her arrival at that port.

I may add that the Cardiff Surveyors are being requested to render an account to the Owners or their Agents and to credit the fee to your port.

I think it well to enclose for your information a copy of the assignment letter which is being forwarded to the Owners in this case.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,
NEWCASTLE--ON--TYNE.
