Dear Sirs,

London E.C.

I beg to inform to your
selves that the captain
of a Greek Steamer Leonidas G.
Cambanis (ex Littleton) named
Iolao Giannios before captain
Filiatrisoglou (Mina).
has broken in the Sifon island
(reece) now the above named
steamer Leonidas G. Cambanis
loaded about six hundred
tons from Rosario Argentine
follows. We left from Rosario
2 July 1932 with draft midle
4 and 9 to 10 inches. Without
big water and with Engine's water
in the tanks of the Engine
the one boiler was wide and
without fire during the voyage

8800-14708

Also no more shifting board
cargo. -

until Regalata. From the
cinco) completed the En
with hundred ten tons fresh
also about 18 tons fresh
and in the poop tank about
tons for the use of the crew
for the voyage. -

Dear Sirs for the
of the crew and for your
I beg to keep secret my
because will be loss my
the company ^{and the other companies} and in other
will you supply the necessary
informations about for it..
