Dear Sir,

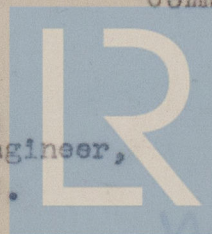

I have to acknowledge the receipt of your letter of the 17th instant respecting the Steamer "JOSEPH MITCHELL", the contents of which are noted.

In reply I have to say that all plain and stay tubes were renewed in the boiler at Rotterdam on the occasion of the survey by the Society's Surveyors in March/October, 1948.

Yours faithfully,

Clerk to the Classification Committee.

O.T. Williams, Esq.,
Superintendent Engineer,
