Secretary,
Lloyd's Register of Shipping,
High Close,
WOKINGHAM,
Berks.

Sirs,

s.s. "HAR PALION".

We thank you for your favour of the 18th
t. reminding us that this Screw Shaft Survey became
at the end of October last on the above vessel. We
e your remarks with regard to this Survey during
ilities, and we might mention that we had the steamer
drydock recently at Leith, but permission was not granted
draw in the shaft as the wear down did not call for same.
shall therefore keep this Survey in mind for the next
locking.

Yours faithfully,
for J. & C. HARRISON LIMITED.

Chief Supt. Engineer.
