

Lloyd's Register of Shipping,

Collingwood Buildings, Newcastle-on-Tyne.

25th October 1924

Reference

The Secretary,

Sir,

In reply to questions in classing letter of 24th October regarding First Entry report on SS "MIDDLEBRO" I beg to state that the thickness of bridge struts is as approved, the test of stream anchor is in accordance with the rules, and the watertight bulkheads have been tested by fire where not tested under pressure.

I am, Sir,

Your obedient Servant,

G. Brown
