Dear Sirs,

I duly received your letter of the 27th ultimo, relative to the Convention freeboards for various steamers owned by Messrs. Stockholm Rederi. Svea, and in reply thereto I have to request that you will obtain and forward to this office a memo of the moulded displacement at a moulded draught equal to 85% of the moulded depth, and a copy of the displacement scale in the case of each vessel, for reference in dealing with their enquiry.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

STOCKHOLM.
