

SUPERHEATER Endorsement.

Shipbuilders: Messrs. *Bartram & Sons* Yard No. *28203*

Engineers: Messrs. *N. C. Marine Engs* Engine No. *2952-3*

Superheater Makers: Messrs. " " " Nos *741 & 2*

It is submitted that the plans of superheaters merit approval for a working pressure of *220* lb. per square inch, provided ~~the steel castings be made at approved works and tested as required by the Rules,~~ a safety valve be fitted to each part of the superheaters which can be isolated from the boilers, ~~and~~ the superheaters be constructed under the usual conditions of survey and testing, and the whole be tested to three times the working pressure.
