Dear Sir,

In reply to the classing letter of the 30th October having reference to the First Entry Report No. 29158 on the S.S. "NEWTON BEECH" I beg to state that the frames in the peaks and bottom angles to the transverse plate beams at the upper and Bridge deck beams are bulb angles and regret that this was not made clear in the report.

I am, Dear Sir,

Yours faithfully,

*W.P. Collings*

The Secretary,
