

From centre of disc to top of statutory deck line 3 ft. 0 ins.

It is concluded that the length of the deep tank forward is 30' as in the sister vessels; that the thickness of the stiffeners on the after peak bulkhead, the depth of the horizontal stiffener of the after bulkhead of the deep tank, and, the length of No. 2 hatchway are as approved but the Surveyors should be requested to state whether this is so.
