Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

7th September, 1933.

Dear Sirs,

H.

With reference to the Boiler Survey which became due at the end of July last on the steamer "TAIROA", I have to acquaint you that this vessel recently arrived in London. The Surveyors have, however, been informed that the ship is proceeding to the Tyne to be fitted out for superheat and that the Boiler Survey will be held at the same time. In the circumstances I shall be glad if you will be guided accordingly and give the case the necessary attention.

I am, Dear Sirs,

Yours faithfully,

Clerk to the Classification Committee.

The Surveyors,

Cross NEWCASTLE/TYNE.

State clearly whether any and, if so, what alteration is suggested to be made in the existing classification and notification of the vessel in the Register this survey, thus, for example:—"to remain as now classed in the Register Book without fresh record of Survey," "to remain as classed survey, 1,24," or "to remain as classed and to have record of survey, 1,24, and the notations of ss No. 1-24 and ptND24, &c."

to Nwc. for guidance
