Dear Sirs,

F.

With reference to the case of the s.s. "SIG" ex "SEABANK", I have to inform you I am now advised by the Oslo Surveyors that before a Load Line Certificate can be issued to this ship valid for five years, it will be necessary for a Load Line Renewal Survey to be held.

I shall therefore be glad to learn if the Annual Survey held by you can be accepted as a Renewal Survey, and if so, you should forward form C.11(d) to this Office in duplicate.

I am, Dear Sirs,

Yours faithfully,

THE SECRETARY

LONDON

Assistant Secretary.

The Surveyors,

NEWCASTLE ON TYNE.
