ENCLOSURES.

22nd November, 1937.

Dear Sirs,

F. I have to inform you that the s.s. "SEABANK" has been transferred to the Norwegian Flag and re-named "SIG". The Newcastle Surveyors have held an Annual Load Line Survey, verified the freeboards and issued a provisional Certificate and I enclose a copy of their report form on the case, together with a copy of the Rpt.C.11 and computation made for approval of the assignment by the Authorities. It will be noted that the Board of Trade 1906 freeboards were re-assigned in 1933.

A set of Load Line Certificates is also sent for issue on completion of the survey and approval of the assignment. The dates of issue and expiry, signal letters and gross tonnage should be inserted, and particulars sent to this Office.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,  
OSLO.

Assistant Secretary.
