Dear Sirs,

With reference to the classification in this Society's Register Book of the motorship "REAL", which, it is noted with much regret, is reported to have sunk on the 1st instant in the North Sea following an explosion on the 30th ultimo, I have to acquaint you that it is proposed to make a record of "SUNK - Loss 11,39" against the vessel's name in the Register Book, but before taking any action, I shall be glad to learn whether you have any objection to this course being adopted in this instance.

An early reply on this point will be appreciated.

I am, Dear Sirs,

Yours faithfully,

Clerk to the
Classification Committee.
