H. Dear Sirs,

I beg to, acknowledge the receipt of your letter of the 31st ultimo respecting the steamer "LE PHOQUE", from which it is noted that the vessel has been badly damaged, and that the Boiler Survey will be held at the port where the repairs are dealt with.

In reply I have to inform you that the Committee, who have had the case before them at their meeting today, have deferred further consideration of the same for the present.

I am, Dear Sirs,

Yours faithfully,
