*C.K.P.
6/10/05*

It should be pointed out to the Surveyors that the record of deck as it should appear in the Register Book does not appear to be correctly given in the third page of their report in respect to the lower deck which is there made to appear to be wholly of steel. The Surveyors should at the same time be requested to avoid leaving pencil notes on their first entry reports. *C.K.P.*
