3rd September 1907.

Gentlemen,

I am in receipt of Mr. Pitt's freeboard verification form for the steamer "LESTRIS", and it is noted that the channel bars have been secured fitted at front of bridge, but I have to request that he will be so good as to state whether the channel bars have been riveted to the bulkhead so as to be permanently attached.

I am, Gentlemen,

Your obedient Servant,

Secretary.

The Surveyors,

MANCHESTER.
